The Down Syndrome Association NT (DSANT) NDIS price list is below.

The Core price includes the Temporary Transformation Payment (TTP). The TTP is a small additional charge per hour which acts as a stimulus for organisations developing NDIS services in areas of market need. DSANT is registered to use the line item costs below as we transition into the NDIS. The TTP is only applicable for line items associated with community access and centre based activities and are reflected in the Core items noted below.

DSANT will continue to advise participants about any changes relating to the NDIS Price Guide through our website, social media and direct emails.
